

Shout About London presents:

Christmas at the Black Eagle
Brewery (E1)

All evil needs a mask.
For it's dark work;
Full of the shadow's task,

Black Eagle Brewery used to be the largest brewery in the world

"... I have long felt the brewing business to be particularly adapted to Mr Micawber. Look at Barclay and Perkins! Look at Truman, Hanbury, and Buxton! It is on that extensive footing that Mr Micawber, I know from my own knowledge of him, is calculated to shine; and the profits, I am told, are e-NOR—mous!"

(David Copperfield by Charles Dickens)
